

**BRISTOL OWNERS' CLUB OF AUSTRALIA INC**

**NATIONAL RALLY 2017**

**Monday, 20 March – Monday, 27 March 2017**

**EXPRESSION OF INTEREST**

The planning for the 2017 National Rally is underway and we are now calling for expressions of interest, so that we have an idea of numbers.

The 8-day rally includes tours and attractions based around Launceston, Tasmania's northern capital, the iconic West Coast town of Strahan and the beautiful waterfront City of Hobart. En-route we will visit the historic towns of Deloraine and Longford, the Tamar Valley, golfing mecca Barnboogle, and the picturesque North East; we will travel via Cradle Mountain on our way to the spectacularly rugged West Coast, staying at Strahan, with options to experience the famous Gordon River Cruise, the Wilderness Railway or the mining heritage of Zeehan and Queenstown; our unforgettable Odyssey to Hobart will take us to Derwent Bridge's Wall, the historic hydro village of Tarraleah, through mountainous landscapes to the Derwent Valley, New Norfolk and on to our 4-night stay in the city's waterfront precinct.

After a 'free day' in Hobart (maybe visit the Salamanca Market and MONA, or Port Arthur, or Vineyards of the nearby Coal River Valley, or experience a Peppermint Bay Cruise or just 'veg out' at one of the many historic pubs!), we will spend a day exploring some of the Huon Valley's must-see attractions.

The last touring day will take us to Bothwell's Nant's Distillery for lunch, with a visit to the Australasian Golf Museum and a drive around the Baskerville race circuit as we head home.
